# PARTNERING TOGETHER

## **What can you expect from Life Community Ministries?**

LCM is commitment to stand with our partners as we seek together to walk out the call of God for our lives and for His church. We exist to support ministers and their congregations through Fathering, Biblical Training and Fellowship.

### **Fathering Heart**

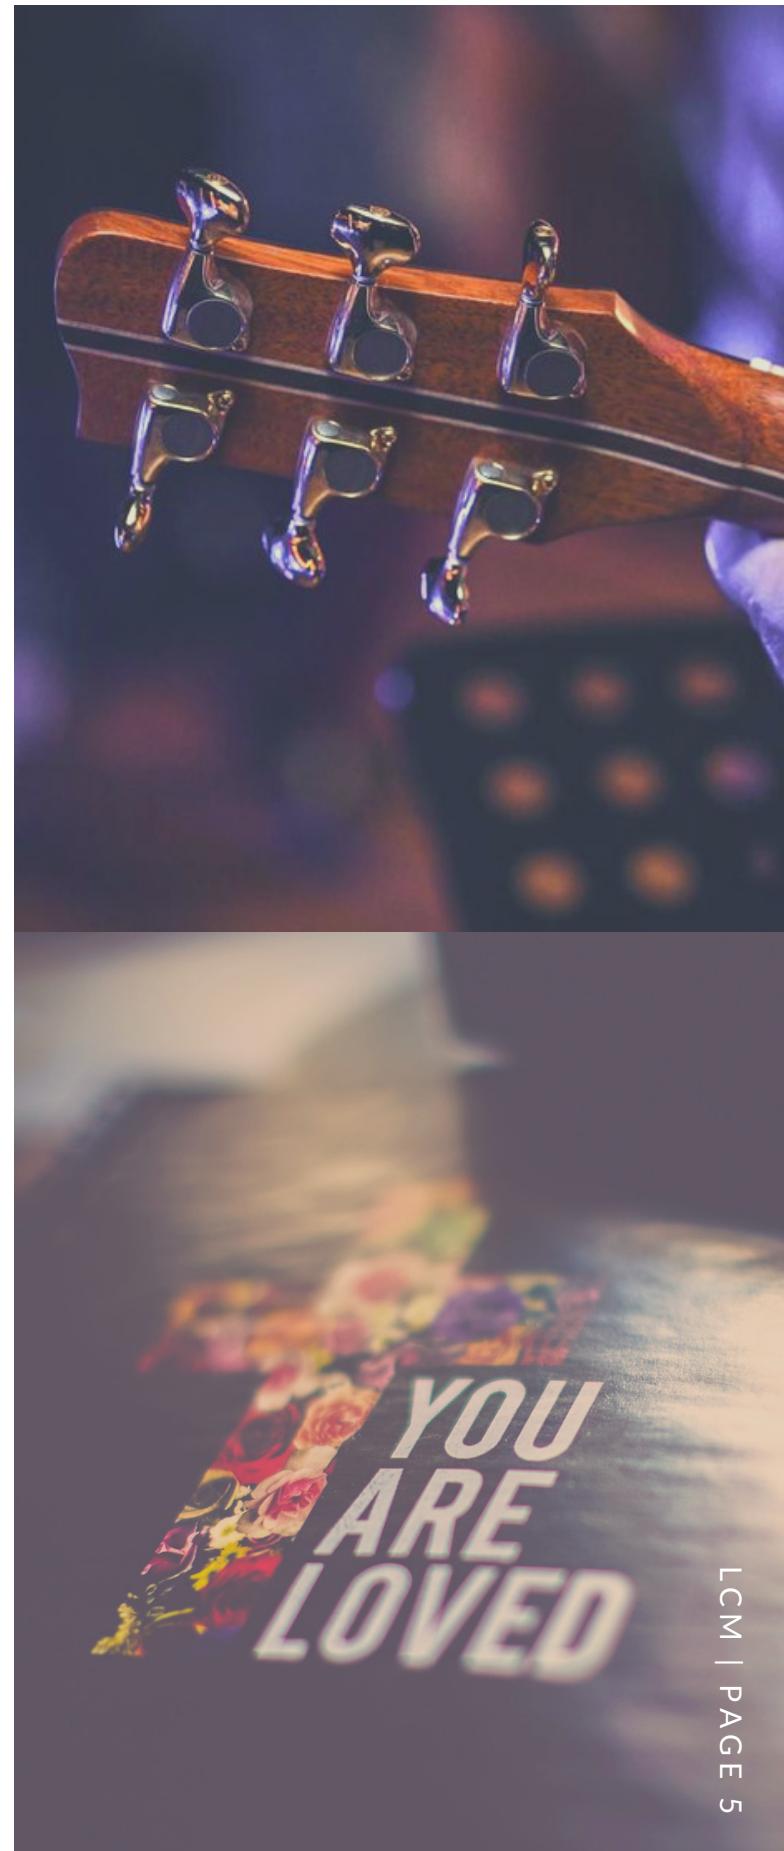

We believe that the greatest form of leadership is fathering. A father loves His children and always seeks for their good above his own. LCM desires to father the fathers by standing with ministers through their victories and their trials.

### **Training Opportunities**

All Scripture is useful for teaching, rebuking, correcting and training in righteousness, LCM is committed to providing Essential Biblical Teaching to our partner churches.

### **Community Gatherings**

We are one body called to love one another and share in one another's victories and trials. LCM is committed to creating community among our churches.

## **What is expected of our partners?**

Our desire is to make partnership with LCM as straightforward and accessible as possible. We first ask that all those desiring to join us read through our Core Values and Essential Doctrine documents. It is essential that partners engage with the Vision, Mission, Values and Activities of LCM. Partners will be expected to demonstrate a willingness to engage in LCM initiatives where possible.

### **Becoming a Partner**

**Step 1:** Pray and seek God's will. Ask Him if LCM is the right family for you to join with. The LCM team will also pray for God's wisdom on partnership applications.

**Step 2:** Make sure you are in agreement with our Vision, Mission, Core Values and Essential Doctrine.

**Step 3:** Connect with a member of our team. We work through relationship and so desire to establish meaningful connection with churches and ministries before we consider partnership. Please contact us to ask to meet with a member of our team.

### **Step 4:** Formally ask to join us.

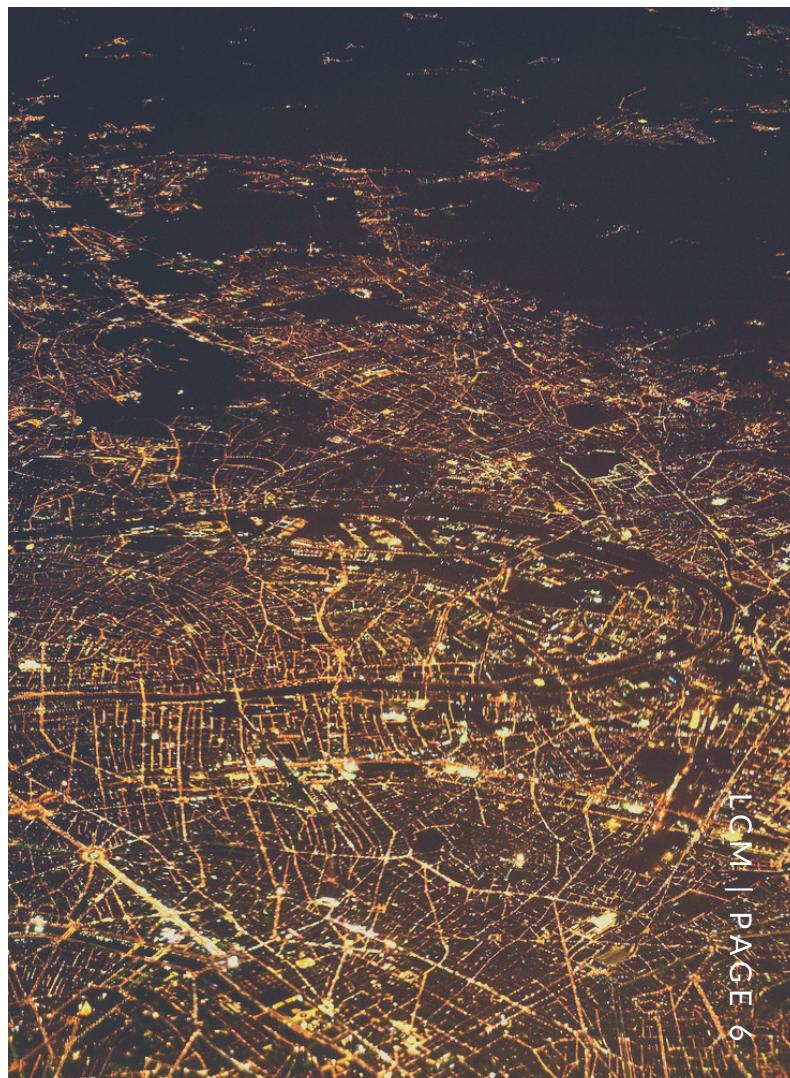

Let us know if you wish to be part of the family. For churches this request must be from the church leaders and agreed by any governing board.

## **What if you are part of a denomination?**

LCM is not a denomination and we are not affiliated with any specific church denomination. We are happy for churches that are in denominations to join us as long as doing so is not against their denominations desire and that any commitment they have made is not at odds with LCM structures and principals.

### **Do you have to change your name?**

There is no need to change the name of your church unless you would like to. We recommend if you do keep your name, you add a strap line saying, "A Life Community Ministries, Partner."
